QUALIFICATIONS

- The qualifying equipment must be installed in a residential Minnesota home served with natural gas from Great Plains Natural Gas Co. (Great Plains).
- Great Plains uses AHRI (Air Conditioning, Heating and Refrigeration Institute) listings to determine the efficiency of heating equipment. You can access this information at <http://www.ahridirectory.org/ahridirectory/pages/home.aspx>
- This rebate is available for new heating equipment; used equipment does not qualify for the rebate.
- To qualify for the programmable thermostat rebate, it must be purchased and installed with a new high efficiency furnace or boiler.
- Heating dealers are not eligible to receive their customer's rebate.
- Equipment installed under warranty replacement does not qualify for the rebate.

APPLICATION REQUIREMENTS

- The rebate application form must be submitted within 90 days of installation date or postmarked by December 31 of the plan year whichever comes first.
- Application must be completely filled out with purchaser information, equipment information (including brand, complete model number, serial number, installation date and AFUE rating) and dealer information.
- Great Plains is unable to accept applications that do not include all this information.
- It is the responsibility of the dealer and purchaser to ensure that the installed equipment qualifies for the rebate.
- If the equipment does not qualify, no rebate will be paid.
- If you have questions about completing this form please call 1-877-267-4764.
- Mail the completed application including a copy of the dealer invoice and/or sales receipt to:

Great Plains Natural Gas Co.
Attn: Market & Sales Support
400 North 4th Street
Bismarck, ND 58501

Enclose a copy of contractor invoice showing itemized figures for equipment, labor and taxes.

REBATE DETAILS

Rebate qualifications and amounts are subject to change and rebate funds are limited. Completed rebate forms will be processed in the order in which they are received. Great Plains CIP rebate programs may be cancelled or changed at any time.

The rebate application form must be postmarked by December 31 of the plan year for the rebate to be processed. Rebates will not be paid if funds are depleted prior to December 31.

Rebate amounts will be issued for equipment installed between January 1 and December 31 of the plan year only. Great Plains issues rebates in the form of a check, not utility bill credits. Great Plains is not responsible if the dealer does not provide accurate information about the amount of rebate or equipment eligibility. Allow 4-6 weeks for rebate processing.
